COLLABORATE ◦ THRIVE ◦ INSPIRE

PROSPECTUS

Welcome to Lindfield Learning Village

Welcome to Lindfield Learning Village, a proudly public, comprehensive K-12 school, committed to servicing the educational needs of our local community. LLV delivers Explicit Teaching that is embedded within the school's educational approach, with students supported to become independent, lifelong learners. Our school provides a uniquely stable environment, with our K-12 model ensuring a depth of understanding of your child's learning needs over the entire thirteen years of their education. With a highly dedicated team of staff committed to ensuring socio-emotional wellbeing, a well-rounded offering of subjects and a wide range of extra-curricular and sporting opportunities, LLV ensures that all student needs are catered for.

Strong community links, including with our P&C - Friends of the Village - ensures that all stakeholders are active participants within the life of our school. The intersection of our high impact teaching with opportunities for students to explore their interests, supports our commitment to academic excellence and is reflected in the strength of our external metrics. I look forward to welcoming you to our school.

Principal, Ben Rekic

Explicit Teaching

Through a structured program of gradual release of task responsibility, students are guided through traditional content and taught the skills needed to understand, consolidate and apply new knowledge to their own independent or collaborative learning. We are among many other NSW Public Schools who have adopted this learning model where we prioritise equipping each child with the skills needed to be self-sufficient.

Our approach includes:

- real-world learning through hands-on activities, group work and exploring ideas
- using technology to support learning, personalise lessons and build digital skills
- giving students the right support with flexible teaching and a focus on wellbeing
- connecting with the community through excursions and local programs

Primary School

Primary School (Kindergarten – Year 6)

During their primary school years, students will develop strong literacy and numeracy skills. They will explore new ideas including the use of information and communication technologies (ICT). Lessons are designed to respond to the needs, learning styles and rates of progress of individual students.

Students learn a wide range of subjects in accordance with the NSW curriculum such as English, Mathematics, Science, Human Society and Its Environment (HSIE), Creative Arts and Personal Development, Health and Physical Education (PDHPE).

Students develop their critical thinking, social skills, emotional intelligence and creativity, forming a foundation for lifelong learning.

Secondary School

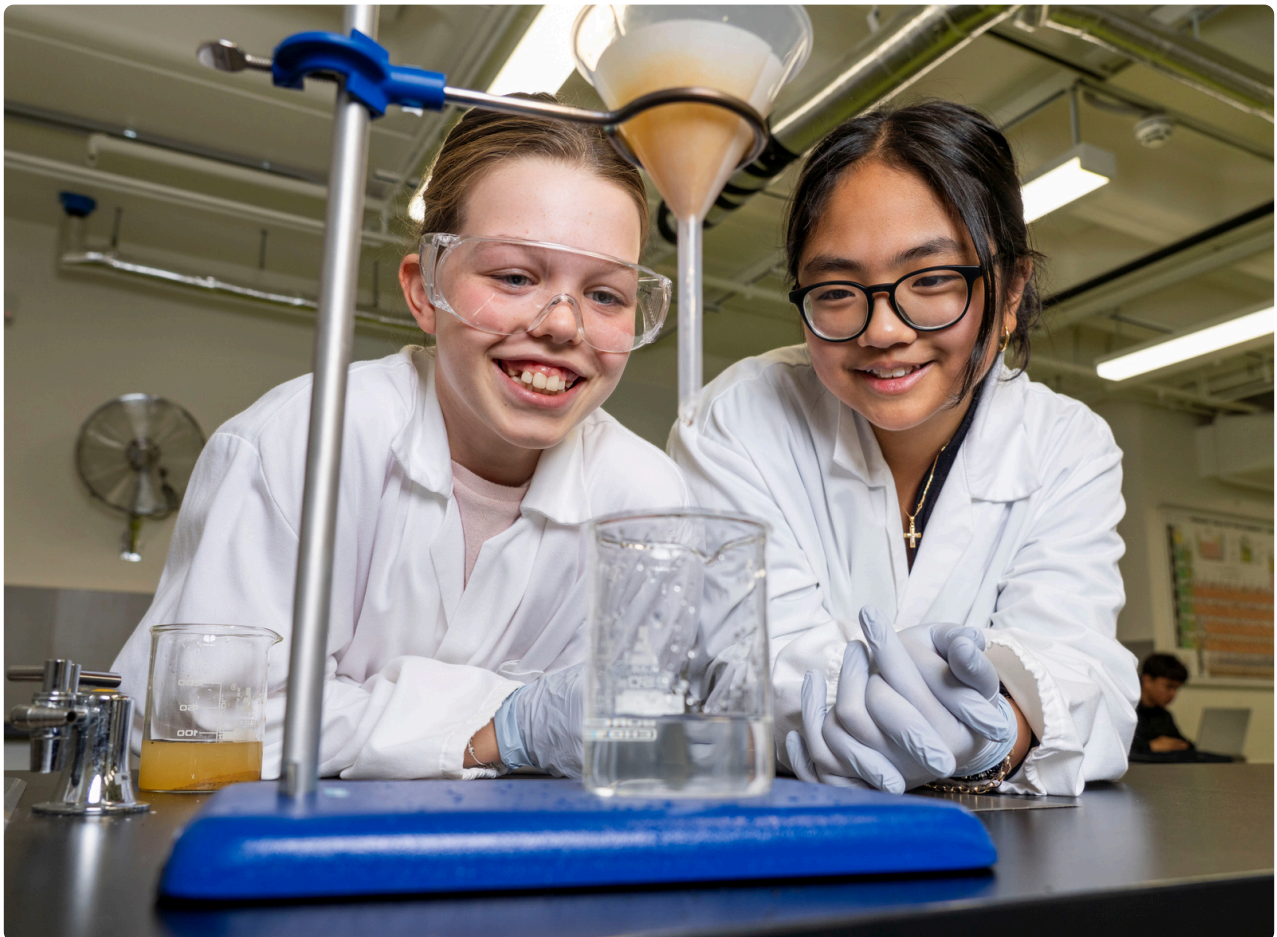

HSC Success

Our students achieved outstanding HSC results in 2024. Lindfield Learning Village was in the Top 10 of comprehensive public schools for HSC results. The highest ATAR achieved at Lindfield Learning Village in 2024 was 98.4, with 27.5% of the cohort achieving an ATAR over 90, and 50% over 80.

This cohort also received the following nominations for their outstanding creative Major Works: SHAPE (Textiles), Encore (Music), ArtExpress (Art) and ONStage (Drama).

Stage 4 (Year 7 - Year 8)

Students in Stage 4 (Years 7-Year 8) engage with the NSW curriculum, which encompasses core subjects such as English, Mathematics, Science and History. In addition, they explore Creative Arts, Technological and Applied Studies, Personal Development, Health and Physical Education (PDHPE) and Languages. Students are expected to broaden their learning to encompass all subject areas outlined in the NSW Curriculum.

Stage 5 (Year 9 – Year 10)

In NSW, Stage 5 (Years 9-10) students have the opportunity to select elective subjects in addition to the mandatory core subjects. These electives allow students to explore their interests and develop specific skills in areas that appeal to them.

Students are required to study a set of core subjects as well as two electives to undertake each year. These can be chosen from the subjects below. Subjects offered vary by year, depending upon student interest and demand.

Core	Electives	
English	Drama	Food Technology
Mathematics	Visual Arts	Industrial Technology (Multimedia)
Science	Music	Physical Activity and Sports Studies
HSIE	Textiles and Design	Commerce
PDHPE	Design and Technology	History elective

Stage 6 (Year 11 – Year 12)

In NSW, Stage 6 (Years 11-12) students choose electives to complement their compulsory English course, creating a personalized program. There's a wide array of electives across various subject areas allowing students to explore their interests. Subjects offered vary by year, depending upon student interest and demand.

English	Mathematics	Human Society and its Environment	Creative Arts
English Standard	Mathematics Standard II	Aboriginal Studies	Drama
English Advanced	Mathematics Advanced	Business Studies	Visual Arts
English Extension	Mathematics Extension I	Modern History	Music I
English Studies	Mathematics Extension II	Legal Studies	Music II
	Mathematics Numeracy	Ancient History	Ceramics
		Economics	Photography (Non-ATAR)
		Society and Culture	
Health and Physical Education	Science	Technology and Applied Studies	Vocational (VET)
Health and Movement Science	Biology	Textiles and Design	Hospitality
Sports, Lifestyle and Recreation Studies	Physics	Industrial Technology (Multimedia)	Entertainment Studies
Community and Family Studies	Chemistry		
	Earth and Environmental Science		
	Science Extension		

Co-curricular Opportunities

At Lindfield Learning Village, we offer a variety of co-curricular programs and activities. Getting involved in co-curricular activities supports learning beyond the classroom. They help students build new skills, make friends and explore new interests. Outside of school hours, we offer a range of opportunities for our students to further develop their skills.

- Instrumental Music Program
- RedED Dance Academy
- Speakers Corner
- East Coast Squash Academy
- Sydney Academy of Chess

Beyond – Practical Learning Elective

Beyond is a program run for students in Year 6 to Year 10. Each student can select a practical elective to be done once a week throughout the semester that encourages them to learn new skills and deepen their knowledge beyond the curriculum. Each semester we offer a new selection for students to choose from. Examples of electives include:

- World of Work Cafe
- Cinema Studies
- Career Kickstart
- Digital Vanguard
- Makers and Shakers
- Duke of Edinburgh
- LLV Podcast
- LLV Pop-up Restaurant
- Philosophy
- Sports Academy
- Young Scientist
- Story Seekers

Multiform

At Lindfield Learning Village we offer an optional school multiform which can be purchased and worn in combination with a student's non-multiform clothes. If students choose not to wear the multiform, please make sure that clothing choices are appropriate, comfortable and safe for all school activities. We do enforce a dress-code to ensure safety.

Always Connected

We believe in fostering a strong partnership with parents by encouraging them to stay engaged in their child's learning journey through continuous reporting and user-friendly informative apps.

Interested in enrolling?

Every child has the right to access quality public education in their local community. Lindfield Learning Village welcomes enrolments throughout the school year. If you live in our catchment area, start your journey to join our school community. Visit our website for more information.
